recommendations to the contracting officer for review and determination. The file shall contain—

- (i) A statement of facts as supported by investigation;
- (ii) Recommendations as to the contractor's liability and its amount;
- (iii) Recommendations as to action to be taken with regard to third party liability, if appropriate;
- (iv) Requirements for disposition, repair, or replacement of damaged property; and
- (v) Other pertinent comments.

(2) A copy of the contracting officer's determination shall be furnished to the contractor and the property administrator, and a copy shall be retained in the contracting officer's files. The property administrator's copy shall be filed in the Contract Property Control Data File for the contract when all pertinent actions, such as compensation to the Government or repair or replacement of the property, have been completed.

#### **1845.7209-4 Financial reports.**

The property administrator is responsible for obtaining financial reports as prescribed in 1845.505-14 for all assigned contracts. Reports shall be accumulated, reviewed and distributed as required. Contractors are required to submit separate reports on each contract that contains the property reporting clause (see 1852.245-73) except as noted in 1845.7101-4(c).

#### **1845.7210 Contractor utilization of Government property.**

##### **1845.7210-1 Utilization surveys.**

(a) The property administrator is responsible for ensuring that the contractor has effective procedures for evaluating Government property utilization. However, when necessary, the contract administration office shall provide specialists qualified to perform the technical portion of utilization surveys to assist the property administrator in determining the adequacy of these procedures.

(b)–(d) [Reserved]

(e) In the absence of adequate justification for retention, the contractor shall identify and report Government-owned plant equipment in accordance
